

Athul MJ

SOFTWARE DEVELOPER

Kochi, Kerala | +91 9207856724 | athulmj999@outlook.com

Objective

To obtain a challenging Angular Developer position in a dynamic and innovative organization where I can apply my technical and problem-solving skills to build high-performance web applications.

Experience

Application Programmer | Data Devices Pvt.Ltd | Kochi, Kerala May 2023 - Present

- Enhanced and maintained a multi-property hotel reservation system, enabling seamless bookings across multiple hotels under a group.
- Developed and delivered a payroll management application for employees, including profile management, payslip viewing, and attendance tracking.
- Designed and built an ERP micro frontend application from scratch, improving modularity and scalability for hospitality operations.
- Created and maintained a shared program to optimize functionality across multiple applications.
- Managed manual application deployments on HostGator servers and implemented automated deployment using GitHub Actions, improving efficiency and reducing manual effort.

Junior Software Engineer Trainee | Geojit Technologies | Kochi, Kerala July 2022 - April 2023

- Worked on Back Office applications for brokerage firms to process daily stock market activities.
- Started with MS SQL development before transitioning to Angular for frontend development.
- Contributed to Angular migration for existing applications.
- Maintained and optimized Azure DevOps pipeline scripts for CI/CD automation.
